

Uncollected child

Policy statement

In the event that a child is not collected by an authorised adult at the end of a session/day, Southwell Smiley Faces puts into practice agreed procedures. These ensure the child is cared for safely by an experienced and qualified practitioner who is known to the child. We will ensure that the child receives a high standard of care in order to cause as little distress as possible.

Southwell Smiley Faces inform parents/carers of our procedures so that, if they are unavoidably delayed, they will be reassured that their children will be properly cared for.

Procedures

- Parents of children starting at Southwell Smiley Faces are asked to provide the following specific information which is recorded on our Registration Form:
 - Home address and telephone number - if the parents do not have a telephone, an alternative number must be given, perhaps a neighbour or close relative.

 - Mobile telephone number (if applicable).
 - Names, addresses, telephone numbers and signatures of adults who are authorised by the parents to collect their child from Southwell Smiley Faces, for example a childminder or grandparent.

- On occasions when parents or the persons normally authorised to collect the child are not able to collect the child, they provide us with written details of the name, address and telephone number of the person who will be collecting their child. Southwell Smiley Faces will agree with parents how to verify the identity of the person who is to collect their child and request a password.
 - Parents are informed that if they are not able to collect the child as planned, they must inform us so that we can begin to take back-up measures. We provide parents with our contact telephone number.
